Linear length	100 m/kg
Denier	81000
Reference strength	425 kg
Weight options	9 kg
Colour	White

For agricultural tying only; reference strength is not a certified lifting load.

How can I order?

Wholesale orders start at one full container. Container type, loading capacity, product mix and the number of pieces, sets, rolls or spools are confirmed in the quotation. Packaging specifications do not represent the minimum order quantity.

How do I select a model?

Check the measurements and intended use before ordering. For inserts, confirm compatibility with the support tray; dimensions refer to the individual insert. Request a sample when fit is critical.

Store clean and dry, away from excessive heat and sharp objects. Inspect before use and follow the agreed product specification.
