

WHOLESALE SUPPLY

NUFERTO Seedling tray 24

Minimum order: 1 container

Pieces

SKU: AGRI-SEEDLING-TRAY-24

Seedling trays for organized propagation and handling. Select the cell count and depth for the crop, growing medium and production cycle.

Specifications

Model	24
Width	320 mm
Length	500 mm
Height	82 mm
Bottom diameter	55 mm
Top diameter	75 mm

How can I order?

Wholesale orders start at one full container. Container type, loading capacity, product mix and the number of pieces, sets, rolls or spools are confirmed in the quotation. Packaging specifications do not represent the minimum order quantity.

How do I select a model?

Check the measurements and intended use before ordering. For inserts, confirm compatibility with the support tray; dimensions refer to the individual insert. Request a sample when fit is critical.

Store clean and dry, away from excessive heat and sharp objects. Inspect before use and follow the agreed product specification.

Formed seedling inserts for nursery propagation systems. Compare cell volume, dimensions and configuration with your support tray.

Specifications

Model	98T
Configuration	98
Width	328 mm
Length	668 mm
Height	56 mm
Cell size	40 × 40 mm
Cell volume	50 cm ³

How can I order?

Wholesale orders start at one full container. Container type, loading capacity, product mix and the number of pieces, sets, rolls or spools are confirmed in the quotation. Packaging specifications do not represent the minimum order quantity.

How do I select a model?

Check the measurements and intended use before ordering. For inserts, confirm compatibility with the support tray; dimensions refer to the individual insert. Request a sample when fit is critical.

Store clean and dry, away from excessive heat and sharp objects. Inspect before use and follow the agreed product specification.
