Description

NPK 8-24-8. Nitrogen (N): 8%; Phosphorus (P2O5): 24%; Potassium (K2O): 8%.
Order enquiries are welcome from bags to multi-thousand-tonne consignments. Packaging, availability and delivery schedules are confirmed for each quotation.
Select the product and application rate according to soil analysis, crop requirements and the current product label. Ask for technical advice for your crop and conditions; no universal dose or yield increase is implied.
Request the current batch analysis, label and safety data sheet. Nutrient solubility, physical form, origin and delivery terms are confirmed before order acceptance.
Keep dry, protected from moisture and in accordance with the supplied label and safety data sheet.
Wholesale & Bulk Supply · Order enquiries are welcome from bags to multi-thousand-tonne consignments. Packaging, availability and delivery schedules are confirmed for each quotation. Bags / Big Bags / bulk on request
